

Tamara Hill, MA, CRA

Biosketch

Tamara Hill is the Associate Vice President for Shared Services at Morehouse School of Medicine (MSM). She joined MSM in October, 2018 to design, implement and lead three (3) Shared Services Centers providing institutional support for Research Administration, Human Resources and Finance.

With over 25 years of research administration experience, Tamara has served in many capacities at the department and central level at various institutions. This includes serving as an Accountant and Sr. Business Administrator at the University of Cincinnati; Manager of Awards Management at UNC Charlotte; Assistant Director of Sponsored Programs Financial Administration at the University of Louisville; and Sr. Director of the Cancer & Imaging Research Administration Shared Services Center at Emory University.

Tamara joined NCURA in 1999 and has served in various roles and on various committees throughout her membership. Tamara was a graduating member of the 2004 Leadership Development Institute (LDI). In 2017, Tamara was an ARMS Global Fellow where she travelled to the University of Melbourne in Melbourne, Australia.

On the National level, Tamara has served on the AM 49 Program Committee, DRA Workshop Development Committee, 50th Anniversary Committee and the Professional Development Committee (PDC). At the Regional Level, with Region IV, Tamara has served as an At Large Board Member and Awards Committee Chair. Other Region IV Committee activity includes the membership, nominating and several program committees. For Region III, Tamara serves on the Philanthropy Committee.

Tamara has presented over 100 national, regional and local presentations and workshops. In addition, she served as a NCURA DRA Workshop Faculty during the BETA testing.
